The Michigan Fallen Heroes Memorial is looking for assistance from a website design/technology firm for the design and re-development of its website, and an outdoor computer kiosk for the site.

The project's intent is to provide onsite and online access to biographical information about those lost in the line of duty to help honor their lives and memories.

Additionally, individuals visiting the Memorial will be able to do a search from the kiosk to find the location of each hero's name on the Memorial wall. The Michigan Fallen Heroes Memorial is a 501(c)(3) and any in-kind donations may be tax deductible. All funds are privately raised and 100 percent of funds raised go toward the Memorial project.

The Michigan Fallen Heroes Memorial is next to Building 38E on Oakland County's complex at 1200 N. Telegraph Road, Pontiac. Interested parties should contact Mandy Andrews at 248-858-1947.
